

Only the best Fashion and accessories for every opportunity

For over 35 years Modas Micha has dedicated itself to the sale of high class fashion on Lanzarote. The main shop on the promenade of Puerto del Carmen was and is one of the first outlets for classic fashion.

Versace, Hugo Boss, Calvin Klein, Armani, Diesel, Timberland, Krizia, Escada Sport and many more well known and sought after designer brands are on sale. Up to now the good reputation of this established business has grown from year to year and for many residents Modas Micha is a main base in Puerto del Carmen.

With Armani Jeans and Escada Sport, Modas Micha now has two new and exclusive shops opened on the island. Modas Micha has seen from the first moment the possibilities when the new shopping street „Paseo de la Moda (Fashion Walk)“ was opened in the modern sports harbour of Puerto Calero. Here you find a extensive array of designer clothes from all the big brands and also accessories to coordinate. Many choose this beautiful harbour at the weekends to combine lunch or dinner with quality shopping.

In the Armani Jeans shop, the first and still only one on Lanzarote, you will find the actual collection of the great designer Giorgio Armani. Jeans, shirts, T-Shirts and shoes and a great variety of bags, belts and other accessories are on offer. The well trained employees are always there with good fashion advice and information about the newest tendencies.

Directly next door is the Escada Sport Shop, which offers along with the products of the brand Escada Sport the very popular brand Guess and the new and exclusive Argentinean brand La Martina. Especially the bags from Guess are very popular amongst the clients, tourists as well as residents. The polos and sporty models of La Martina, one of the new and coming fashion brands, are also very sought after.

Make use of the free time and relax on your holidays for a shopping trip to the Paseo de la Moda in the exclusive sport harbour Puerto Calero. You will find in the Armani Jeans or Escada Sport shops a piece of high quality international fashion to suit everyone. Also at Modas Micha in Puerto del Carmen you can find a lot of fashion products from a wide selection of brands.
